**AARON RENTS LAUNCHES LARGEST COMMUNITY OUTREACH EFFORT
DURING NATIONAL MANAGER'S MEETING IN NATION'S CAPITOL**
Aaron's Makes Dreams Come True for U.S. Veterans and Families

(ATLANTA) April 13, 2009 – Aaron Rents, Inc. (NYSE: RNT), the nation's leader in the sales and lease ownership, specialty retailing and rental of residential and office furniture, consumer electronics and home appliances and accessories, hosts its largest Company-wide community outreach mission to date on April 14th in Washington D.C. Two thousand Aaron's associates will invest 5,600 hours and \$500,000 in product and service donations. Aaron's will partner with The Armed Forces Foundation during three of the seven outreach projects taking place throughout the day.

"It was fortuitous that at last year's annual meeting, we asked how many Aaron's associates were veterans, and were proud to learn of the large number of Armed Forces veterans we have as part of our Company," said Robert C. Loudermilk, Jr., Aaron's President and Chief Executive Officer. "The work ethic, dedication and commitment to making the community a better place is part of the DNA of our Company. This attitude of service certainly represents the mindset of our associates who are veterans and the many men, women and their families currently serving as active members of our military."

Challenged 10 years ago by the Company's founder, R. Charles Loudermilk, Sr., Aaron's executives created ACORP, Aaron's Community Outreach Program. Through ACORP, Aaron's associates have donated thousands of hours of associate time to community service projects in more than 1,600 cities across the U.S. and \$6.7 million in goods and services donations.

"As a Company philosophy, Aaron's made a commitment a decade ago to give back to each and every community where we're located in order to make our cities a better place to live," said R. Charles Loudermilk, Sr., Chairman, Aaron's. "During this year's three-day National Manager's Meeting in Washington D.C., 2,000 of our associates choose to spend a full day in a Company-wide community outreach effort. This expression of giving exemplifies the caliber of associates that are the strength of this Company."

"As the largest community outreach effort Aaron's has committed to in a single day, the Company is proud that we can invest in the lives of veterans and their families who reside or are recovering in our nation's capitol," said Ken Butler, Chief Operating Officer, Aaron's. "Our associates will return to their own communities energized and knowing that they made the dreams of many veterans and their families come true."

"When 2,000 Aaron's associates, senior executives and a host of corporate and foundation partners converge on Washington D.C. in April to invest their time, heart and enthusiasm into making the lives of so many veterans and their families better, the impact will be powerful, immediate and have a long-term impression," said Patricia Driscoll, President, Armed Forces Foundation. "Often soldiers are taken care of but their families might become overlooked. The Armed Forces Foundation supports military families in their time of greatest need."
